Some Questions

"The initial distribution of atom tokens and validators on Genesis will go to the donors of the Cosmos Fundraiser (75%), lead donors (5%), Cosmos Network Foundation (10%), and ALL IN BITS, Inc (10%).

From genesis onward, 1/3 of the total amount of atoms will be rewarded to bonded validators and delegators every year."

Name	Score	Max Score
Utility	15	15

Some Questions

ATOM is used for staking, voting, validating, delegating to other validators, paying transaction fees.

All validators are responsible for voting on all proposals. Validators failed to vote are automatically deactivated for a period of time.
