Some Questions

Accessibility: a pitch deck not found, so I will evaluate based on the website main page presentation.

Information about the team: found on another page: <https://minaprotocol.com/blog/meet-the-mina-foundation-leadership-team>

Tokenomics: Mina website has a separate document for tokenomics, which is great.

Some Questions

The Mina protocol utilizes zero-knowledge proofs (zkSNARKs) to ensure scalability, security, and decentralization, all while maintaining a remarkably small size of approximately 22KB throughout its existence.

Some Questions

Stablecoins cannot replace MINA, as it is used for executing network transactions and staking. Also, the Mina team plans on taking next steps on governance on Mina. Details: <https://minaprotocol.com/blog/next-steps-mina-protocol-governance>
